ELECTRICAL RESULTS SUMMARY

Overall Score

Apprentice

36

- ADVANCED: 75 and above
- INTERMEDIATE: 25 to 74
- BASIC: Below 25

ELECTRICAL — 33

Basic
May have difficulty understanding basic electrical concepts, circuits, and wiring principles.

Advanced
Understands electrical concepts, circuits, and wiring principles.

	Score
Circuit Topology	33%
Ohm's Law	0%
Switches & Logic	33%
Schematic Symbols	0%
Series-Parallel Combos	100%

MECHANICAL — 50

Basic
May have difficulty understanding mechanical principles and how tool systems and components function.

Advanced
Understands mechanical principles, tool function, and how mechanical systems and components work together.

	Score
Simple Machines	33%
Structural & Physical	78%
Mechanics & Physics	60%
Spatial Reasoning	17%
Measurement	50%

GENERAL INDUSTRIAL — 25

Basic
May have difficulty processing and applying information accurately across visual, numerical, and mechanical tasks.

Advanced
Can accurately process and apply information across visual, numerical, and mechanical tasks.

	Score
Patterns	30%
Reading	27%
Tables	27%
Assembly	0%
Math	31%
Problem Solving	40%

Marker:
Represents this person's results.

Disclaimer:
These assessment results should always be considered in the context of all available information about a person; do not use this as the sole factor for making employment-related decisions.

Benchmark:
The score range expected for this role. Scores inside the band are the best fit.
